

## Information on vacancies in the Erasmus+ Program of TU Berlin

Vacancies are vacant places in the Erasmus+ cooperation of TU Berlin. Due to other deadlines, vacancies are offered **for the summer term only!** Please note that only a limited range of our cooperations is available as vacancies.

Lists with all available vacancies by faculties (Faculty I-VII) that provide information on the vacant places can be found here ("Restplätze für das SoSe 2023"):

The lists are meant to provide an overview. It is **mandatory** to verify the conditions of the exchange by comparing them with the faculty brochures published here:

In order to prepare your application, please read the "Erasmus+ Bewerbungsinfo" (abstract in English available) carefully and start to prepare necessary documents. According to our experience, the Letter of recommendation of a TU professor and the Language certificate are most time critical.

The application will be submitted via an online tool (Mobility Online). Application for vacant places will be possible until **June 15, 2022**. Details on the application process and the opening of the online tool can be found in the next point ("Bewerbungsverfahren").

**No paper version of your application is required!** Therefore, please do not send original documents or certified copies.

**If you are interested in applying for a vacancy, please do not hesitate to get in contact with us for additional counseling:**
